Love is Here Love is Here

Friendship is for sharing all the good times and the bad
It magnifies your happiness and comforts when you're sad
Love it can be happy, tearful, sad or snappy
Love it can be risky, outright jolly frisky.
Love is Here. Love is Here.

Work provides the wherewithal to eat and pay the bills
It channels creativity but oh the time it fills.
Love it can be cheerful, grumpy, down and tearful
Love is always trusting needs some fine adjusting.
Love is Here. Love is Here.

Travel gives experience and broadening of the mind.
It alerts you to the differences of world wide humankind
Love can be delicious, possibly suspicious
Love can be expanding, frequently demanding.
Love is Here. Love is Here.

Music conjures magic through the fingers and the voice
It lifts the soul to greater heights and makes the heart rejoice
Love can be harmonious, even acrimonious
Love can be pedantic, better when romantic.
Love is Here. Love is Here.

Love is lost in the depth of eyes
And found in hands caressing
Love is sweet in the touch of lips
Love is Here. Love is Here.
